

2015 Guarantee

Satisfaction Guarantee

Each dog is guaranteed to be in good health, to the best of our knowledge, at the time of sale. Each dog has been vaccinated against distemper, hepatitis, parvo, and rabies. X-rays will be included with the sale of every dog. Any dog returned will be returned at the expense of the purchaser.

Health

Cobra Canine provides a one-year guarantee against any genetic defect. If during this period a genetic defect is found, Cobra Canine will replace the dog. A letter from a licensed veterinarian is required as evidence stating the dog's genetic condition.

Skeletal

Cobra Canine provides a one-year guarantee on the skeletal system. If a licensed veterinarian discovers a skeletal problem during the first year, Cobra Canine will replace the dog. A letter from the veterinarian must be provided stating the skeletal problem that was found.

Workability

Cobra Canine provides a six months working ability guarantee on each dog. If a problem should arise with the working ability of the dog, Cobra Canine will attempt to fix it. If the problem cannot be corrected, Cobra Canine will replace the dog.
